Physik Journal

Short description
Physik Journal is the official publication of the Deutsche Physikalische Gesellschaft (DPG). Of the approximately 52,000 members, about 50,000 receive the print edition, the others have chosen the e-edition. Physik Journal is with its 11 monthly issues and 2 specials the most important physics journal in German-speaking countries. The readers are physicists in academia and non-academic research institutes, in industry, banks, insurances and consultancies.

Physik Journal reports on advances and new developments in physics, on applied physics and technology. The monthly issues contain regular sections such as High Tech, overviews, everyday physics, recensions and professional portrait. Each issue has a special focus, plus user reports and product information relating to the fields of lasers, optics and photonics and events as well as the DPG congress. The realm of information is supplemented by the rubric products/companies, a list of suppliers and the situations vacant ads.

The online version of Physik Journal is part of www.pro-physik.de, the leading German-language expert portal for all areas of physics with daily updates on industry, technology, research and academia. Products from the sectors lasers, metrology, nanotechnology, optics and photonics, software and vacuum technology complete the offer.

Two options are offered: the print data for the advertorial is supplied by the company, or our editorial team creates the content and layout together with the company.
Recruiting

The personnel demand for physicists is very high in many companies. It is therefore advantageous for employers to regularly present themselves to the target group as an innovative and friendly company with interesting fields of activity.

A mix of these three options offers an attractive variety in addressing your target audience.

(f) “Reprint” means print or physical goods, being a specified number of reprints of articles or other material (for example, pre-loaded USBs), as requested by the Customer and/or eprints which are digital versions of articles or other materials hosted by Wiley or its licensees and linked from a Wiley website, an email or a Customer website (“Wrints”).

(g) “Reprint Quotation” means a document supplied to the Customer by Wiley which sets out the details of the quotation for Reprints.

(h) “Terms” means these terms and conditions.

ADVERTISING TERMS

2. In submitting Advertising to Wiley, the Customer grants Wiley a worldwide, royalty-free, irrevocable licence to publish and print the Advertising as set out in the Booking Confirmation as well as the right to sublicense all such rights to any third-party provider.

3. Wiley will, or will instruct its affiliates to, use commercially reasonable efforts to publish the Advertising in the format and in the position as set out in the Booking Confirmation; however Advertising is subject to the right to vary the placement of Advertising within a print product or online site or digital product when necessary.

4. Wiley reserves the right at any time to refuse to publish or withdraw from publication Advertising which is not in accordance with the specifications provided in the Booking Confirmation, these Terms or is otherwise inappropriate to Wiley’ssole discretion. Notwithstanding the foregoing, Wiley has no obligation to review or approve Advertising copy (for compliance, appropriateness, or otherwise). Wiley may publish the Advertising with a heading ‘Advertising’ or in some other manner to distinguish the advertising material from editorial material. If and to the extent that the Advertising does not conform to Wiley’s then-effective production specifications, Wiley reserves the right to make technical modifications as necessary to conform to such specifications.

5. If Wiley is creating advertising copy on behalf of the Customer, Wiley will provide final copy for the Customer’s approval by email.

6. Customer is solely responsible for compliance with all laws, standards, industry codes and other binding guidelines as to the content of the Advertising, whether created by Wiley on its behalf or provided to Wiley, including but not limited to all applicable medical advertising regulations.

7. A Customer will support any additional Order or Insertion Order to Wiley for Print Advertising and Online Advertising. Advertising bookings cannot be reserved without receipt of the aforementioned documents. Orders for booking of Online Advertising must be received at least 7 business days in advance of the proposed first run date. Wiley cannot guarantee that orders received after this time will be fulfilled. Customer shall book Online Advertising on a monthly basis unless otherwise expressly set out in the Booking Confirmation. Publication dates specified in the rate card may be subject to changes at the discretion of Wiley. New publication dates will be communicated to the Customer prior to publication, at point of order confirmation where possible.

8. The Customer must submit the required copy for Print Advertising on the material submission date as set out in the Booking Confirmation (“Materials Due Date”). If a Customer fails to provide the Print Advertising copy for a confirmed booking by the Materials Due Date, the Customer may be charged for Print Advertising unless a cancellation has been approved by Wiley in writing. If Wiley accepts copy for the Print Advertising after the Materials Due Date, Wiley makes no representations that Print Advertising will be published and the Customer will have no claim against Wiley for credit or republication in the event of non-publication, or if the Print Advertising is published in another manner or format than as set out in the Booking Confirmation.

9. Customer must submit Print Advertising copy in compliance with the artwork and data specifications as set out in the Booking Confirmation, or as previously provided by Wiley in relation to the particular publication.

10. Customer shall deliver and shall be solely responsible for providing to Wiley all of the text, pictures, graphics, sound, video, programming code and other media which comprise the graphics or html file that comprises the Online Advertising in accordance with Wiley’s delivery specifications.

11. Wiley makes no guarantees as to the number of visitors to any Wiley site or digital product or the number of impressions at any Wiley site or digital product, unless such guarantees are expressly made in writing by Wiley in the Booking Confirmation. Any ‘impression goal’ or the like provided are non-binding. Online Advertising described in the Booking Confirmation and at ‘100% sponsorship’ will not be subject to any impression or viewability guarantees.

12. Wiley will provide reporting at the end of the Online Advertising campaign, or otherwise as requested within a reasonable time period, to give details of Online Advertising performance (i.e. impressions, clicks). Real time transparency of campaigns can be managed by the Customer by using Google Ad Manager.

13. Unless specifically set out in the Booking Confirmation and agreed in writing by Wiley, Online Advertising will not be placed at a registration barrier. The Customer acknowledges that Online Advertising placed on Wiley Online Library will be viewable by both subscribers and non-subscribers to Wiley Online Library. For the avoidance of doubt, Print Advertising may be viewable by non-subscribers to journals or periodicals.

14. In relation to Online Advertising to be included in email alerts to subscribers and other authorised users of Wiley’s products (‘Email Alerts’), Wiley cannot guarantee the send date of any Email Alert advertising unless otherwise expressly agreed in the Booking Confirmation.

15. The sole remedy for any failure by Wiley to provide any Advertising, is that the Customer will be provided with a period of Online Advertising or additional Print Advertising in an equivalent placement and for a set period of time as determined by Wiley. Wiley will not be responsible for any failures that are not caused by Wiley. Wiley cannot guarantee that such make-up bookings can be made in the month following the initial Advertising period.

16. In submitting Advertising to Wiley, the Customer warrants and represents that:

(a) publication of any Advertising (including any Advertising copy that is created by or on behalf of the Customer) will not breach or infringe any copyright, patent, trademark, trade secret or obligation of confidentiality or any relevant law or regulation concerning advertising or promotions, including any medical advertising laws, industry codes or regulations;

(f) Online Advertising does not create, facilitate the creation or of or exploit any security vulnerabilities in a user’s computer, promote programs which compensate or provide incentives to users for clicking ads or offers, performing searches, surfing websites or reading emails or contain viruses, trojan horses, worms, time bombs, cancelbots or other harmful or deleterious programming routines whether similar or dissimilar to the foregoing; and

(g) Customer has obtained written consent to display the name or image of any living person in any Advertising.

17. The Customer acknowledges that in relation to Advertising, Wiley makes no representation or warranty (i) that any publication of any Advertising will be confirmed to persons resident in various countries (ii) of the exact number of page impressions that will be delivered, (iii) regarding the quality of reproduction of the Advertisements; or (iv) as to the availability of any Online Advertising site or digital product.

18. In addition to the Terms, the following clauses of the standard terms and conditions of the Interactive Advertising Bureau for Media Buys of Less than One Year (“IAB Terms”) will apply to all Online Advertising services, with Wiley being the ‘Media Company’ and Customer being the ‘Agency’ and ‘Advertiser’ (unless the Customer is a Wiley media agency ordering or advertising on behalf of a customer in which case it will be the Agency, with its customer being the Advertising)

(a) Section II (Ad Placement and Positioning);

(b) Section III (Reporting) (excluding clause 3(b));

(c) Section IV (Non-Disclosure, Data Usage and Ownership, Privacy and Laws);

(d) Section XLI (Third Party Ad Serving and Tracking)

The Customer must provide a Purchase Order or return the Reprint Quotation and provide all relevant details in order to submit an order for producing the Reprint and in doing so, the Customer agrees to be bound by these Terms. Wiley may issue a Booking Confirmation to confirm the Order.

The Repri ts must not be amended or modified in any way after delivery. If the Customer wishes to amend or add any material to a Reprint it shall inform Wiley at the time of making the order and pay any additional fees charged by Wiley. Wiley reserves the right to accept or decline any such request in its sole discretion.

22. For eprints, the Customer will be provided with a link and is entitled to the number of downloads of eprints, as specified in the Reprint Quotation and/or Booking Confirmation. The Customer may opt to pay a premium price and have a print download option on eprints if confirmed in the Booking Confirmation.

23. Wiley will use commercially reasonable efforts to deliver the Repri ts by the date specified by the Customer (if any) in the accepted Reprint Quotation, however Wiley will not be liable for any non-delivery or late delivery.
